DISCUSSION

Community Wellbeing Grant

Last year community wellbeing funding of \$297,812 was requested from 36 organisations, with a budget of \$130,102 available for allocation. The Awards and Grants Committee allocated \$126,240 to 34 organisations. Two applications were declined; the first was advised to apply to Council's Community Climate Fund and the second was an educational programme and they were advised to apply to Masterton Trust Lands Trust.

This year \$292,546 is requested for funding 31 community wellbeing projects, from 30 organisations. There are 22 organisations returning with funding requests and eight organisations are applying for this grant for the first time.

Appended to this report are the following:

- **Attachment 1** summarising the 31 applications requesting a wellbeing grant from the Awards and Grants Committee.
- **Schedule 1** detailing the timetable for the 25 applications being presented at this meeting.
Six applications are not being presented.

SUMMARY OF CONSIDERATIONS

Strategic, Policy and Legislative Implications

As part of the consultation for this year's Annual Plan, the community was consulted about several ways Council could reduce the rates impact. Based on the feedback received following that consultation, Council adopted an Annual Plan that reduced the proposed budgets for Community Wellbeing funding by \$22,000 and the Community Events funding by \$66,000.

The continued funding provision, albeit reduced, continues to support Council's commitment to the Wellbeing Strategy *He Hiringa Tangata, He Hiringa Whenua* and Council's community outcomes as specified in the 2021-31 Long-Term Plan. Aspects of both funds also align with Council's Arts, Culture and Heritage Strategy.

Significance, Engagement and Consultation

The Community Wellbeing Grant and Community Events Fund are not significant under the Significance and Engagement Policy because the decisions:

- do not relate to a strategic asset,
- do not involve a change in the level of service provided by council,
- do not impact on debt, rates, or the financial figures in the 2023/24 Annual Plan,
- do not involve council exiting an existing activity or adding a new activity.

Financial Considerations

There are no significant considerations as this funding is budgeted for in the 2023/24 Annual Plan, as follows:

- **Community Wellbeing Grant** \$98,225
- **Community Events Fund** \$14,000

Implications for Māori

There are no implications for Māori in the decisions sought from the Committee in this report. The Community Wellbeing Grant and Community Events Fund are available to provide support for projects or events that contribute to the vision and priorities in Council's He Hiringa Tangata, He Hiringa Whenua Wellbeing Strategy and Māori groups or individuals can apply for funding in the same way as any other member of the community.

Communications/Engagement Plan

A variety of social media channels were used to promote the Community Wellbeing Grant and the Community Events Fund. Application forms and the information sheet were available on Council's website and at the Queen Street Customer Centre. Last year's recipients were also contacted directly by the Grants Administrator and provided with the information sheet and an application form to apply.

Environmental/Climate Change Impact and Considerations

The Community Wellbeing Grant and Community Events Fund are available to provide support for projects or events that contribute to the vision and priorities in Council's He Hiringa Tangata, He Hiringa Whenua Wellbeing Strategy.

The vision and priorities that relate to the environmental strand of the strategy include the Vision that Masterton/Whakaoriori has rivers we can swim in and drink from; clean air to breathe, green and blue spaces that we can enjoy and share with future generations; and the following Priorities: clean air and water; protecting our natural heritage and biodiversity; climate change action; creating a culture of environmental sustainability; and, working together as kaitiaki.

NEXT STEPS

The Awards and Grants Committee to consider the 31 Community Wellbeing Grant and 15 Community Events Fund applications, listed in Attachments 1 and 2 and decide on any funding from the respective budgets available.

Applicants to be advised on the outcome of their application by the Grants Administrator within the following week.
