### Submission Statement

The specific parts of the Proposal that this submission relates to,

Supports the demolition of the existing town hall and municipal building while retaining the facade. This will allow the construction of a new town hall within the facade thus retaining the heritage values of the facade.  
Similar work has been done in Hastings and is being done in Hamilton.

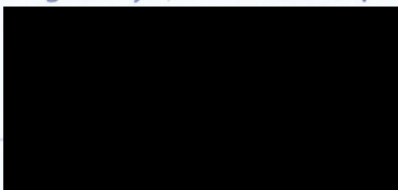

### Decision you want the Council to make:

Grant the Consent     Decline the Consent     Grant the Consent with Conditions

I am of the opposite view to that of Mr Kennell, Demolish town hall & municipal building while retaining the facade and build a new town hall within the facade, more or less.  
This was option 2 from the council's proposal consideration.
