Submission Statement

The specific parts of the Proposal that this submission relates to.

The building as it is costing rate payers money for up keep yet not useable.
If the consent is not granted its going to cost millions to strengthen the building and strengthening cost can blow out easily.
The building has a earthquake prone status with a time limit that wont go away. Why delay the inevitable.

The council needs to get the consent, demolish the building and get on with it and build us a new Town Hall. Its gone on for long

Decision you want the Council to make:

now, 7 years since the facility was closed.

Grant the Consent

Decline the Consent

Grant the Consent with Conditions
