Submission for Resource consent regarding Masterton Town Hall

I would like to keep the facade of the Town Hall to keep Mastertons history, because old buildings keep being pulled down to build new buildings and we are losing our heritage.

The facade can be strengthened and a new Town Hall building can be built behind it, reusing the old floor boards and other materials from the existing town hall building, the new building does not have to have all brand new materials.

I think we still need a town hall but would like to retain the character of our old town hall rather than building a brand new building.

Thank you
Shannon Owen
