I am very much against pulling down the Town Hall.

I think it is a treasure, a lovely heritage building.

I don't want a new Town Hall, I would like to keep the existing as it is a special part of Masterton.

I used to go to balls at the Town Hall and prior to the 1942 earthquake I used to go to the Library with my grandfather, it holds many special memories for me, I am now 93.

I would like to keep the facade and build a new Town Hall building behind it so the heritage continues for my grandchildren and great grandchildren.

There aren't many grand Town Halls around New Zealand, and we should keep ours.

Thank you
Elva Morgan
