

TRAFFIC CALMING MEASURES REQUEST FORM

Masterton District Council has developed guidelines for traffic calming measures to:

- outline some advantages and disadvantages of implementing traffic calming measures (e.g. speed bumps)
- advise residents of the process to request a traffic calming measure
- provide guidance on the processes that the Council will follow, in accordance with set criteria, to assess and make decisions on these requests.

How to complete this form

Complete this form to request any traffic calming measures on your road or street. Before you complete this form:

- Make sure you have read all the information about requesting a traffic calming measure (refer Traffic Calming Measures Guidelines).
- Check that the road or street you are making the request for would pass the Stage 1 – Initial Assessment Criteria (refer page 6 of the Traffic Calming Measures Guidelines).
- Check that your neighbours support your request. Do this by sharing the details of your request and either providing them with a copy of the Traffic Calming Measures Support Form to complete and submit to the Council or informing them how to access that form for completion.

Please note that submitting a request does not guarantee that a traffic calming measure will be installed.

Once you have completed this form, you can:

- drop this form and any support forms to our Customer Service Centre, 161 Queen Street, Masterton
- email a copy to mdc@mstn.govt.nz
