

# TRAFFIC CALMING MEASURES SUPPORT FORM

Masterton District Council has developed guidelines for traffic calming measures to:

- outline some advantages and disadvantages of implementing traffic calming measures (e.g. speed bumps)
- advise residents of the process to request a traffic calming measure
- provide guidance on the processes that the Council will follow, in accordance with set criteria, to assess and make decisions on these requests.

## Purpose of this support form

If a resident is planning to request a traffic calming measure, we ask that they check that their neighbours support the request.

The requestor can do this by sharing the details of their request form with neighbours. The neighbours will then need to complete this support form and send it to the Council.

Support for, or opposition to, a traffic calming measure application by a neighbour or affected party will be considered as part of the Council's assessment and decision.

This ensures that:

- the Council has confirmation that a neighbour has been informed of the traffic calming measure request as an affected party
- the Council is informed whether or not the neighbour has an issue with traffic calming measures being installed.

## Where to submit your support form

You can:

- drop this form into our Customer Service Centre, 161 Queen Street, Masterton
- email it to us at [mdc@mstn.govt.nz](mailto:mdc@mstn.govt.nz)

Please note that Council may be in touch to discuss your form in further detail.

## Privacy statement

Your privacy is important to us, and we take data security seriously. The personal information we collect on this form is to enable us to process and respond to this request. For more information, our full privacy statement is available on our website: [www.mstn.govt.nz/privacy-statement](http://www.mstn.govt.nz/privacy-statement)
