Audit and Risk Oversight

Audit and risk committees provide ratepayers with improved assurance of value and financial risk management. We asked Councils whether they follow best practise in having independent members, and input from at least one lawyer and accountant, and an independent chairperson on their audit and risk committee.

Number of members on the Audit and Risk Committee: 7

Independent member of Audit and Risk Committee: 

Lawyer on Audit and Risk Committee: 

Accountant on Audit and Risk Committee: 

Independent chair of Audit and Risk Committee: Yes 

Code of conduct requiring political neutrality: Yes
