

## Infrastructure Contributions

2022/23		
The figures below are payable by property owners who are taking up new connections to Masterton urban sewerage and water supply services. The contribution is the 'buy in' price for new joiners that connect to the services. All contributions are payable prior to connection and subdivision developments are subject to the requirements of the Wairarapa Combined District Plan.		<b>(GST exclusive unless stated)</b>
<b>New connection to Masterton urban services</b>		
Water		\$2,000
Sewer		\$3,000
This contribution is payable by subdividers/developers under the Wairarapa Combined District Plan, as part of issuing resource consents for new lots. The charge is effectively a joining fee to join the existing network services. For all other new connections the contributions are payable by the owner prior to connection.		
Developers may be required to pay additional contributions depending on their development's assessed impact on the future network upgrade needs, as detailed below:		
The process for remission or waiver of these charges is detailed in section 23 of the Wairarapa Combined District Plan in accordance with the RMA
