PLEASE NOTE:

Fees

All fees, (administration/inspection fee, infrastructure contribution (if applicable) and contractor fees (if applicable)), stated in Council's Schedule of Fees, must be paid prior to any services being installed.

Drainage Connection Installation

Unless the applicant chooses to engage their own certified craftsman/plumber, quotes will be obtained to install the connection(s) and must be paid for by the applicant/owner prior to the service being installed.

Infrastructure Contributions

Infrastructure Contributions are payable by property owners who are taking up new connections to the various sewerage and water supply services in the Masterton District. The contribution is the 'buy in' price for new connections to the reticulated services. If applicable, infrastructure contributions will be added to the fee. For a list of Infrastructure Contribution Fees, please refer to the Schedule of Fees on Council's website, www.mstn.govt.nz
